A Safe, All-Natural, Highly-Digestible Solution for your Cat!

KEY BENEFITS:

- Helps prevent excessive shedding & hairballs
- Helps treat poor hair/coat and dry, flaky skin
- Improves absorption of vital nutrients
- Improves functions of Digestive System
- Improves Immune function
- Alleviates joint pain associated with Arthritis

DAILY FEEDING DIRECTIONS: CAT

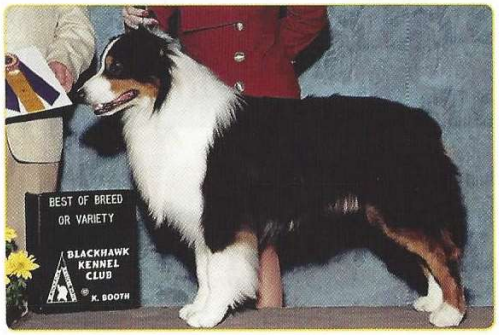
Top dress your cat's food with 1/4 to 1/2 tsp per 20 lbs.
Introduce gradually, increase usage to see desired results.

"...the immediate results were spectacular! Within two days their coats were shining, silky and there was **hardly any shedding**. After **one week** I realized that Sara was not having a hairball problem. Plus her **attitude improved**--what an added bonus!"

Dee
Florida

"Milo's **coat is so much healthier** after using HealthyCoat and now he **doesn't get that excess hair** that caused large hairballs before."

Mary
Minnesota



DAILY FEEDING DIRECTIONS: DOG

Top dress your dog's food with HealthyCoat according to the weight chart below. Introduce gradually and increase to see desired results. HealthyCoat may be fed to all classes of dogs including puppies, pregnant and nursing female dogs and all adult dogs.

BODY WEIGHT	# OF PUMPS PER DAY
Under 25 lbs	1 = .25 oz
26-50 lbs	2 = .50 oz
51-75 lbs	3 = .75 oz
over 75 lbs	4 = 1 oz

*Storage: HealthyCoat is extremely stable. For best results avoid high heat and direct sunlight. Refrigeration is not required.

INGREDIENTS

Mechanically extracted soybean and flax seed oil, lecithin, niacin, biotin, vitamin B supplement, natural flavors and mixed
tocopherols (Vitamin E as a preservative).

GUARANTEED ANALYSIS

Total fatty acids/crude fat, minimum	98%
